FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On July 24, 1979, pursuant to the Streets and Highways Code Landscaping and Lighting Act of 1972 (Division 15, Part 2 of the California Streets and Highways Code, sections 22500-22679), the Board formed the County Lighting District Landscaping and Lighting Act-1, Palmdale Zone.

On November 13, 1990, pursuant to the California Streets and Highways Code Improvement Act of 1911 (Division 7 of the California Streets and Highways sections 5000-6794), the Board consolidated portions of three separate lighting districts within the County and formed County Lighting Maintenance District 1616 to serve the City.

On December 5, 2012, the City approved Resolution No. CC2012-120 requesting the transfer of jurisdiction over County Lighting Maintenance District 1616 and detachment of County Lighting District Landscaping and Lighting Act-1, Palmdale Zone, from the existing County Lighting District Landscaping and Lighting Act-1 territory.

The County Lighting Maintenance District 1616 and County Lighting District Landscaping and Lighting Act 1, Palmdale Zone, is contained entirely within the boundaries of the City (Division 15, Part 2 of the California Streets and Highways Code, sections 22500-22679). Section 5851 provides that if the whole district is included within one city, upon receipt of a resolution from the city requesting transfer of jurisdiction over the district and the funds of the district, jurisdiction over the district shall be transferred by resolution of the Board to the city, and the funds of the district shall be paid to the treasurer of the city to be used by the city for the benefit of this district.

In addition, California Streets and Highways Code Section 22605 provides that the Board may order the detachment of territory from an existing assessment district formed under Part 2, Division 15, of the California Streets and Highways Code.

On August 27, 2013, the Board approved the transfer of jurisdiction over County Lighting Maintenance District 1616 from the County to the City and detachment of the Palmdale Zone from County Lighting District Landscaping and Lighting Act-1 and approved the negotiated exchange of property tax revenue resulting from the transfer of jurisdiction.

The effective date of the transfer and detachment is July 1, 2014.

ENVIRONMENTAL DOCUMENTATION

In accordance with Section 15378(b)(4) and (5) of the California Environmental Quality Act (CEQA) Guidelines and Section 307.B.(3) of the Environmental Reporting Procedures and Guidelines adopted by the Board, the recommended actions are fiscal or administrative activities of government that will not cause a physical change in the environment and therefore do not constitute a project and are not subject to the requirements of CEQA.

Preparing the Board letter is consistent with the current services conducted by Public Works. The transfer of all available funds from County Lighting Maintenance District 1616 and County Lighting District Landscaping and Lighting Act-1, Palmdale Zone, from the County to the City will have no impact to other services or projects.
